1.8 Where a reply is received from a respondent and the matter appears to be one which may be dealt with by the Board or by a member designated by the Board a copy of the respondent's letter may be sent to the complainant with a covering letter advising of the intended disposition.

1.9 If in the opinion of the Board or a board member so designated the complaint merits consideration but is not of sufficient seriousness to warrant a formal hearing the Board or person so designated by the Board may require the respondent to appear privately, without citation, before 2 or more board members for the purpose of reviewing the complaint.

1.10 Where in the opinion of the Board or persons so designated to investigate summarily by the Board, the complaint is sufficiently in dispute or of a sufficiently serious nature the issuance of a citation against the respondent may be recommended to the Board.

Article 2—The Citation

2.1 The citation shall be drawn by the president.

2.2 A copy of these regulations respecting the procedure to be followed at the hearing of a citation shall accompany the citation and the respondent shall be advised that the respondent's appearance before the committee may be the sole opportunity to present evidence and call witnesses.

2.3 The citation shall state the nature of the conduct or competence, or both, to be enquired into.

Article 3—Discipline Committee

3.1 The Discipline Committee shall consist of 5 members of Part I of the Association of Physiotherapists and Massage Practitioners appointed by the Board annually. The committee shall appoint its own chairman for each case. Three members of

3.2 A quorum of the committee is 3 persons.

3.3 Where a vacancy occurs in the committee during the period of annual appointment, the Board shall at its first meeting thereafter appoint a replacement for the unexpired term of the member so replaced.

3.4 The Board may act as the Discipline or Standards Committee and while so acting is subject to all rules and procedures set out herein.

3.5 The Discipline or Standards Committee shall consider a written citation referred to it by the president. The Board may also on its own motion enquire into and determine any matter of complaint against a member where it is alleged or the Board has reasonable grounds for believing that the member has been guilty of:

- (a) An offence against the Act or regulations made thereunder; or
- (b) Professional incompetence, negligence, misconduct or conduct unbecoming a physiotherapist; or
- (c) The member is alleged to be incapable or unfit to practice physiotherapy or is alleged to be suffering from an ailment either organic or mental which could constitute a danger to the public.

If the Board so acts it is subject to all the rules and procedures as set out for the Discipline and Standards Committees.

3.6 After receiving a complaint from the Board the Discipline Committee or Standards Committee may make a preliminary investigation and may conduct hearings concerning the conduct of a member. The appropriate committee shall launch an investigation where a citation has been issued.

3.7 For the purpose of making preliminary investigations hereunder a member authorized by the Discipline Committee or Standards Committee may examine and copy books, records and documents of a member, relating in the opinion of that committee, to the investigation.

3.8 Where a citation has been issued the appropriate committee shall hold a hearing and shall send by registered mail to the respondent at his or her latest address shown on the register a notice of the hearing and a copy of the citation. Such notice shall indicate:

- (a) The nature of the evidence in support thereof; and
- (b) The date, time and place of the hearing.

3.9 The Committee shall allow at least 14 days between the date of sending the notice and the date fixed for the hearing.

3.10 Pending the conclusion of the Discipline or Standards Committee hearing, and upon a two-thirds vote of the Board, the Board may recommend to the Council the temporary suspension of the respondent from practice.

3.11 Where a citation has been issued pursuant to these regulations and a hearing set, the respondent may appear and answer thereto personally or with counsel.

Article 4—Hearing

4.1 The Discipline or Standards Committee may if it is satisfied that the respondent was properly served with notice of the hearing and that the respondent does not intend to or wish to be heard proceed with the hearing in his absence.

4.2 The chairman of the appropriate committee shall in the absence of a quorum from time to time in the presence of the respondent or in the respondent's absence, pursuant to 4.1 above, adjourn the hearing to a time and place certain. Any application for adjournment by the respondent or by the complainant before the return day appointed in the citation shall be made in writing and be received by the chairman of the committee not less than 48 hours before the time set for hearing. Upon being advised of the receipt of an application for adjournment the chairman of the committee shall determine whether the adjournment is to be granted or denied in advance of the attendance of the parties.

4.3 The respondent or his counsel and the Chairman of the Discipline or Standards Committee may agree upon facts to be presented to the Committee. The agreement shall be in writing and signed by both the Chairman of the Committee and the respondent or his counsel. If all the facts are not agreed upon the Committee shall conduct such enquiries as it considers necessary to enable it to reach a finding or findings as to the facts.

4.4 The evidence of witnesses shall be taken under oath and as provided in the *British Columbia Evidence Act*.

4.5 Any member of the Committee may administer oaths to witnesses.

4.6 The hearing shall be recorded verbatim by a person appointed for that purpose.

4.7 At the hearing the respondent is entitled to hear the evidence against him and to cross examine thereon and to call witnesses on his behalf and to present argument.

Article 5—Report of the Discipline or Standards Committee

5.1 The Committee shall, immediately on completion of the hearing and reaching a decision, report in writing to the Board its findings and its recommendations as the Committee or majority thereof may consider advisable.

5.2 The Board shall meet no later than 21 days after receipt of the report from the Committee and upon considering the recommendations of the Committee the Board shall inform in writing by registered mail the respondent and the complainant if any within one week that:

- (a) The respondent is exonerated; or
- (b) The respondent has been found guilty as alleged or incapable or unfit as alleged.

Article 6—Imposition of Discipline

- (a) reprimand the respondent;
- (b) require the respondent to pay a penalty to the Board of up to \$500 for a first offence, and up to \$2,000 for each repeated offence;
- (c) order the respondent to pay all or part of the costs set out in 6.4 of this Article;
- (d) recommend to the Council of the Association of Physiotherapists and Massage Practitioners the suspension or cancellation of the respondent's registration and privileges as granted under the Act.

All penalties and punishments shall be entered on the respondent's record in the Association's file together with a record of the proceedings.
